LIFEGUARD GAMES

Lifeguards from as far away as Tallahassee and as close by as our own Temple Terrace crew were among those who competed in Saturday's Florida Aquatics Council Lifeguard games at the Family Rec Complex on Saturday. Events included a CPR Relay, Stamina Tests and Deep Water Extraction. All went swimmingly (ha!) until the sky opened up and the rain came (again). Many thanks to Mermaid Aquatics, Pinch a Penny, CES, eLifeguard.com, the US Airforce and the Tampa Bay Buccaneers for their support and sponsorship.

ADOPT-A-TREE

The next Adopt-a-Tree planting, managed by the City's Community Development Dept., is scheduled for Saturday, Sept. 7. Temple Terrace residents can apply for inclusion in the program by Aug. 23. Those selected will consult with the City Arborist to choose the most appropriate variety of tree for their yard – live oak, magnolia, bald cypress, sycamore, elm or loquat. The 15-gallon containerized trees then are delivered and planted. For more info about the Adopt-A-Tree program, or if you are interested in volunteering as a "shovel sponsor," call Joe Ferris at 813.506.6482.

CONGRATS TO TRAE WILLIAMS

Please join the Temple Terrace Police and Fire Departments in congratulating Trae Williams on his graduation from the Hillsborough County Sheriff's Reserve Officer Academy. Trae completed his training and was recognized by Sheriff Chronister as well as the HCSO Command/Training Staff on Friday at the Hillsborough County Sheriffs Officer Operations Center in Ybor City. Trae is our newest SWAT Medic and will be sworn in as an Auxiliary Police Officer assigned to SWAT during a ceremony tentatively set for September 11 at City Hall. Congratulations SWAT Medic Williams!

PROTECTING OUR PROTECTORS

After the TT Fire Dept. responded to their first structure fire in the new Ten-8 Fire Equipment, Inc. Pierce Fire Apparatus Enforcer (Clean Cab), the firefighters performed On-Scene Decon protocol last Thursday. Protecting our firefighters post exposure from as much off gassing and carcinogens as we can is paramount. Firefighter safety is a City priority.

RELAY FOR LIFE

Registration for the 2020 Relay For Life of Temple Terrace has begun! Make plans to support this great cause while fostering a sense of community in the City. Relay For Life is a grass roots, community-based team event. It will be held at Greco Middle School, 6925 E. Fowler Ave., on May 1 from 6pm to 6am. The City's goal is \$5000.

BEYOND BOOKS

Temple Terrace teens and 'tweens applied science, engineering and imagination on Thursday at the Library's monthly STEMagination event. Building with the K-NEX and LEGO kits is always a favorite activity, as is creating objects with the 3-D Doodler – but the star on Thursday was our new Snap Circuits set, which can be checked out for a week at a time from the Library's Beyond Books collection!

ROCKIN' OUT

Some folks are into cooking steaks on hot rocks, the Lightfoot Seniors use hot rocks to create art. Using the hot rocks as their medium, the artists melted crayon wax in various patterns and designs to create colorful works of art. It was a great project to repurpose crayons at the end of their useful life and beautify plain old rocks. Just be sure to use oven mitts for safety if you try this at home.
