Chapter 105.4.1—FBC **Conditions of the Permit**

A permit issued shall be construed to be a license to proceed with the work and not as authority to violate, cancel, alter or set aside any of the provisions of technical codes, nor shall issuance of a permit prevent the building official from thereafter requiring a correction of errors in plans, construction or violation of this code. Every permit issued shall become invalid unless the work authorized by such permit is commenced within six months after its issuance, or if the work authorized by such permit is suspended or abandoned for a period of six months after the time the work is commenced.
