### WAIVER CERTIFICATIONS

I have not requested nor do I receive rent for the use of this dwelling. If it is determined that rent (rent: any transaction of value where consideration is provided to a property owner for the use of a dwelling unit, whether or not money is exchanged) has been requested/received for the use of the dwelling unit, the waiver approval will be revoked retroactive to the date that rent was first requested/received, and a permit will be required and the annual fee will be assessed including any related penalties. I agree to follow the renewal process with the exception of payment of the annual fee; and agree to provide proof of residency and a list of occupants if needed for verification of residency and/or kinship of occupants. I certify that this property is not in violation of the City's Minimum Housing Code; and that at no time shall more than three unrelated persons reside within this dwelling.

I further certify that the information given in this application is complete and accurate, and I understand that to make false or fraudulent statements within this application may result in denial of waiver and possible legal action. If granted a waiver, I agree to operate within the city and state laws, and to notify the City if there are changes to information provided in this application. I also certify that I am the property owner or owner's legal agent.
