SEWER MAIN BREAK CAUSES TRAFFIC DELAYS

(TEMPLE TERRACE, FL. – 12/14/07) – A sewer main break on Harney Road may cause traffic delays for commuters today.

Motorists are advised to avoid Harney Road and take alternative routes. Motorists can take Highway 301 to Sligh Avenue, or take Temple Terrace Highway to 56th Street, to bypass Harney Road.

Motorists traveling south on Harney Road will see detour signs redirecting them to 78th Street.

City officials said a 16-inch sewer main burst Thursday morning south of Renald Boulevard. Employees of the Temple Terrace Public Works Department and CSC Engineering & Construction repaired the pipe Friday morning; however, it could take the remainder of the day to restore the roadway, officials said.

The break has been attributed to corroded pipes. Service to homes and businesses was not disrupted.

Harney Road is expected to be reopened Saturday morning.
