FOR IMMEDIATE RELEASE (Two pages)

RESIDENTIAL STREET IMPROVEMENT PROJECT UNDER WAY

(TEMPLE TERRACE, FL. – 4/18/07) – The City has begun a major resurfacing project to improve nearly 20 residential streets in Temple Terrace, officials said.

There should be little disruption to motorists, said City Engineer Joe Motta. Only one lane will be closed at a time, so roads will remain open to local traffic as the project continues through next week.

The \$350,000 effort is part of the City's annual Capital Improvement Program for street and drainage projects, Motta said.

Several streets will be milled, starting Friday, to remove a buildup of old asphalt prior to resurfacing, according to Motta. The streets are scattered throughout the City and include several neighborhoods.

"This is a part of our annual maintenance program, which we re-evaluate every year," Motta said. "The idea is to maintain the streets so that they won't require total reconstruction. It's to maintain the structural integrity of the streets."

The resurfacing is expected to be completed by Friday, April 27, 2007. Streets to be resurfaced:

- * Gadsden Drive
- * Broward Place
- * Collier Place
- * Hardee Place
- * Volusia Place
- * Sandlewood Lane
- * Okeechobee Court
- * 113th Ave./114th Ave./Cypress Street
- * Terrace Hill Drive (Druid Hills Road to Whiteway Drive)
- * Overlook Drive N. (Kmart driveway to Temple Heights Road)
- * Overlook Drive S. (North of Grove Hill Road to Busch Boulevard)
- * Vanderbaker Road (East River Drive to Riverhills Drive)
